

Results of Light-Microscopy Survey 2019

Cell and Tissue Imaging Platform

145 users responded (39% of participation)

Overall Satisfaction

Thank you very much for taking the time to answer our satisfaction survey. All your comments and suggestions allowed us to identify areas of improvement. **We are now working in order to offer you a service closer to your expectations.** Among all the areas of improvement, we will particularly focus on:

IRIS software
(system booking)

Communication

Trainings

Collaboration and availability
